2011 NEW AND UPCOMING SERVICE OFFERINGS, AWARDS & TRADE SHOWS

Mile Rail, Kansas City, MO

Kansas City, MO – January 20, 2011 – Mile Rail, LLC is pleased to announce its new and upcoming services, recent recognitions and 2011 trade show schedule. “We are excited to increase our brand offerings which will fulfill customer needs and reinforce the strong partnerships we have with our clients and vendors” said Glen Schwartz, Mile Rail’s President and Director of Health and Safety.

New and Expanded Railcar Services

With the launch of Mile Rail Mobile (“MRM”), as well as the expansion of repair services, Mile Rail continues to support its clients and their unique needs:

- Mile Rail Mobile including mobile repair for most rolling stock
- Expanded hopper, PD hopper and box car repair including but not limited to wheels, brakes, bolsters, side frames, bulkheads, gates, doors, hatches, and pressure systems
- Coatings and lining inspections and repair as well as liner removal

Upcoming New Services

Planned roll-outs of new services for the upcoming year will continue in 2011:

- Kosherization of non-kosher railcars to kosher service (Q2-2011)
- LPG flaring (Q2-2011)
- Health and safety training and audits (Q1 – 2011)

On-going Services

Mile Rail will continue to offer the same high level of service and quality its clients expect including but not limited to:

- Tank car repairs under our AAR F, G, and L registration
- Railcar blasting using wide variety of media
- Kosher maintenance cleaning of cars in kosher service
- Ongoing cleaning of cars in hazardous, non-hazardous and food grade service

Upcoming Industry Events

Mile Rail is excited to attend and or exhibit at the following upcoming industry events:

- March 15-17 North American Rail Mechanical Operations Seminar (NARMO), St. Louis, MO
